BEAT THE NATION PUTTING CHALLENGE

STU WARREN GOLF

THE NATIONAL PUTTING CHALLENGE

BEAT THE NATION.

10 SHOTS. YOUR SCHOOL. THE NATIONAL LEADERBOARD.

Every school gets the chance to put its name on the national leaderboard through a lunchtime putting challenge

COULD YOUR SCHOOL REACH # 1 ?

How it works

- **10 scoring shots**: the school takes 10 shots in the challenge, with points awarded according to the agreed scoring system.
- **Choose your team:** the school can select its 10 strongest putters or use the challenge to engage pupils who might not usually participate in sport.
- **Represent your school:** pupils contribute to their school's official challenge score.
- **Join the national leaderboard:** the score is submitted so the school can compete against other participating schools throughout the year.
